Section 456.42(3), Florida Statutes (F.S.), requires a health care practitioner licensed by law to prescribe medicinal drugs, including controlled substances, who maintains a system of electronic health records as defined in section 408.051(2)(a), F.S., or who prescribes medicinal drugs as an owner, an employee, or a contractor of a licensed health care facility or practice that maintains such a system and who is prescribing in his or her capacity as such an owner, an employee, or a contractor, may only electronically transmit prescriptions for such drugs.

A health care practitioner who maintains a system of electronic health records and is unable to electronically transmit prescriptions for medicinal drugs may request a waiver from the electronic prescribing requirement under certain circumstances. A waiver may not exceed one year.
